owner shall notify the City upon the delivery of the pipe and the City shall install said pipe within a reasonable period of time. The culvert pipe shall meet City Standards as provided in the Application for Permit to Construct Access Driveway Facilities on City Right-of-Way. If any question arises as to the suitability of the supplied culvert pipe, the determination of the City Public Works Director shall be final.

F. MAINTENANCE AND OBSTRUCTION

Upon the City's installation of the culvert, the property owner shall be responsible for the installation and maintenance of any driveway constructed thereon. The owner and occupant of the abutting property shall not dump any leaves, trash, soil or other material into such culvert or adjacent ditch, and shall maintain such culvert in such a manner that drainage through such culvert shall not be obstructed.

G. PENALTY

Any person who shall violate any provision of this Section shall be deemed guilty of a misdemeanor and upon conviction shall be fined an amount not to exceed two hundred dollars (\$200.00). Each day of violation shall constitute a separate offense.

(Ordinance No. 00-110 of June 22, 2000)

SECTION 5: ASSESSMENTS FOR ALLEY PAVING

The customer shall pay all costs for paving concrete alleys.

(Ordinance No. 87-103 of March 23, 1987)

SECTION 6: ENCROACHMENT PROHIBITED ON STREETS, ALLEYS AND SIDEWALKS

It shall be unlawful for any person to erect any building or fence on the sidewalk or on the alley or streets of the city, and any building or fence which may be so placed as to encroach on any street, sidewalk, or alley, shall be deemed a nuisance and shall be removed to a proper line of the street and a neglect or refusal
