This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Hempstead proposes to use revenue attributable to the tax rate increase for the purpose of expenses incurred in adoption of the 2016-2017 City of Hempstead Budget.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Hempstead from the same properties in both the 2015 tax year and the 2016 tax year.

The rollback tax rate is the highest tax rate that City of Hempstead may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.
